I agree that my membership is for a fixed period and will automatically end on but not before 08/23/2025. The end date will be extended if I freeze my membership. Freeze terms and conditions apply and subject to management approval. I have agreed to pay my membership fees of 23,484.00 by a lump sum payment in advance which is non-refundable.

What is my membership and financial commitment?

1. Congratulations! As a Fitness First member you have committed to a minimum commitment period, as shown on the membership agreement/contract, in order to reach and maintain your goals. Your membership automatically continues after this commitment to ensure that you enjoy the benefits of an active lifestyle unless it is indicated to be a fixed term membership.
2. You are required to pay the Monthly Dues in advance by automatic debit of your Credit Card, or Post-dated Checks. If for any reason, the Club is unable to collect the Monthly Dues, the Member shall immediately pay the Monthly Dues over the counter subject to the payment of a collection charge. The management reserves the right to charge an additional processing fee in the event that an alternative payment method is used other than the payment method indicated in the membership agreement/contract.
3. Failure to visit the Club or use the Club's facilities, equipment, services or amenities shall not excuse your obligation as a Member to pay all applicable dues and fees in a timely manner.
4. For the convenience of our members, a towel service is provided for selected membership categories. We also offer shoe locker rentals for a nominal monthly fee. We will charge for lost or damaged towel/locker keys/electronic locker card/membership card so look after it well. Fitness First is an exclusive club for members only. If you wish to bring guests, there is a guest fee. Book your guests through any of our membership consultants.
5. If you have subscribed to a lump sum pre-paid membership, then at any time the operations or services of the Home Club for which your membership is linked to, is temporarily or permanently suspended for any reason, the Company reserves the right to transfer the remaining duration on your membership to another club subject to the applicability of all membership category terms. No claims whatsoever may be made against The Club for any change, temporary or permanent suspension on such operations, services or facilities.

What if I want to put my membership on hold, travel overseas or leave my Club?

6. Should you ever need to leave us or amend your membership in any way please consult the Management and the Club Rules for the required procedures. One (1) full calendar month's notice in writing is required. A change of status/cancellation form must be filled up, signed and acknowledged at Front Desk for the request to be processed.
7. You can request to freeze your membership if you are travelling overseas or due to medical reasons that prevent you from exercising, which approval shall be subject to the payment of applicable freeze fees and such other fees. In all cases, documentation must be presented. In case of approved freezing of account, no backdating is allowed.
8. The minimum freeze period is one (1) month while the maximum period is twelve (12) months and should be a member for a period of at least three (3) months. Freezing does not count towards the completion of the minimum commitment period except in certain cases set forth under the Club Rules.
9. Change your mind? The "7-day comfort guarantee" allows you to cancel your membership within seven (7) days from date of joining (no exceptions). Fees paid, including the Monthly Dues, Initiation Fees and PT Induction package (if applicable) will be retained but we will release you from completing the minimum commitment period you have signed. Cancellation fees will apply if you cancel within the minimum commitment period.
10. Travelling overseas? Ask at Reception for your FREE International Passport voucher if you are on a passport membership. This will verify your membership for entry into overseas club of the same category (only for Platinum and Passport members). Enjoy thirty (30) visits annually of the International Passport voucher. A prevailing guest fee is applicable should you need to visit the higher tier of overseas clubs. In order to continue enjoying this privilege, the membership must be active and with no arrears.

What else should I know?

11. Fitness First will not honour any verbal agreement between member and staff. Only the terms and conditions within the membership agreement / contract and the Club Rules will apply. In case of doubt, please consult the Management and the Club Rules.
